

Choosing Between Our Cabinet Lines

We offer two high-quality cabinet lines — **Highland Series** and **Legend**. Both are built with the same trusted craftsmanship and premium features:

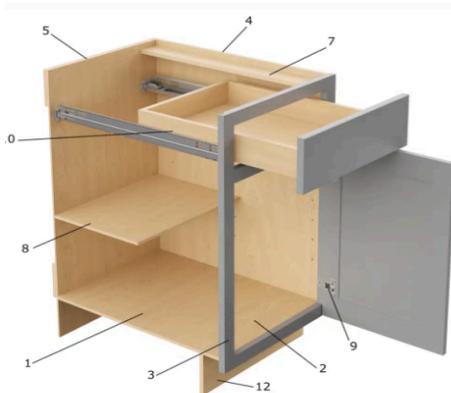

- Soft-close doors and drawers for a smooth, quiet close
- Full overlay design for a modern, seamless look
- Dovetailed drawers for strength and durability
- Plywood box construction for long-lasting quality

The only difference between the two lines is the range of available colors and door styles.
